## HELPFUL TIPS

### *Inserting Custom Images*

Once the Pricing Guide template is opened in Canva you will be able to customise all elements of the template - images, text, logos and colours.

To place your own image into an image/photo placeholder, upload the images you wish to use and them simply drop them into the place holders. Ensure you delete any instructional text such as "PLACE

BABY PHOTO HERE”.

To insert your own images into the template follow the below steps:

1. From the toolbar at the bottom/side of the editor, tap Uploads.
2. Tap Upload files, and select the files that you want to upload. If it's your first time, you may be asked to give Canva access to your gallery.
3. To use your upload in your design, tap on it from the Uploads tab.

### *Colour Adjustments*

To change the colours of elements such as fonts, boxes, lines & shapes etc:

- Tap the element you want to edit. One or more colour tiles will appear on the toolbar below the editor, depending on how many colours the selected element has.
- Tap the colour tile of the color that you want to change. Your document colours and other suggestions will appear.

### *Fonts*

The fonts included in the template are all available with a free Canva account. You can change these fonts as desired to suit your branding.

To change the font:

- Tap the text box.
- Tap Font.
- Select a font that has an arrow.

Thank you for shopping at Bree Hulme Education!
